DCRC, Coffman Art Stable

Drop off children five minutes before the program and pick up promptly at noon with a picture ID ready to show.

Camp Overview

During this five day workshop, participants create an underwater art adventure using a variety of mediums to create life, add expression and movement, and create nautical action scenes. Drawings include a bigger than life cruise ship, tropical dolphins, sharks, colorful saltwater fish and other underwater sea creatures.

Expectations for Parents

Parents need to complete and submit an online 2014 Health Care Form for their child by June 1. Parents are expected to drop off their child five minutes before the program and pick up promptly at noon. A picture ID is required to pick up your child. Anyone picking up a child from Summer Art Workshop must be listed on the child's Health Care Form. Parents interested in enrolling their child in all three of the Young Rembrandts Summer Art Workshops can save \$50. Contact Jennifer Vosters at 614.410.4573 for more details.

Camp Fees/Dress/What to Bring

The camp fee is \$143 for Residents and \$158 for School District & Non-Residents. Participants should dress for a mess since some of the mediums used may cause staining. We use washable materials in class, but sometimes even washable materials permanently stain clothing. All supplies are included in the workshop fee.
